

### Christian Science Lesson-Sermon

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed in the Lesson-Sermon on "Unreality" at all Christian Science services on Sunday.

Scriptural selections from the Gospels will give accounts of incidents in the life of Jesus. Relating the inspiring story of his resurrection John states, "Mary stood without at the sepulchre weeping: . . . she turned herself back, and saw Jesus standing, and knew not that it was Jesus. Jesus saith unto her, Woman, why weepest thou? whom seekest thou? She, supposing him to be the gardener, saith unto him, Sir, if thou have borne him hence, tell me where thou hast laid him. . . . Jesus saith unto her, Mary. She turned herself, and saith unto him, Rabboni: . . . Master, Jesus saith unto her, . . . go to my brethren, and say unto my Mather, and your Father: and to my God, and your God" (20:11, 14-17).

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures: "Truth will be to us 'the resurrection and the life' only as it destroys all error and the belief that Mond, the only immortality of man, can be fettered by the body, and Life be controlled by death. . . . In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality

### Ellis Owens Host Out of Town Guests

Mr. and Mrs. Ellis P. Owen entertained the members of the wedding party, relatives and out of town guests at their home, 17701 Falda Ave., Torrance, following the marriage of their daughter, Margaret to Gary Parsons.

At the champagne buffet supper more than 75 guests were greeted.

Those who attended from out of state were Mr. and Mrs. W. A. Peterson, aunt and uncle of the bride, and children, Bill and Janie of Littleton, Colorado. From Phoenix, Arizona came Duncan Sims. From out of town were Messers and Mesdames Harry E. Foster of Pomona; D. W. Owen of Palmdale; Richard Foster of Fullerton; Walter Claus of Newport Beach; Irv Greenwald of North Hollywood; Guy Morris of Downey; Maurice DeMong of Garden Grove; George Ratkovic of Los Alamitos; Mario Gilek of

### Engineer Wives Fete Mrs. Shipman

There is almost always something extra special about giving someone a shower for her first baby, and this is just what the Standard Oil of El Segundo Engineer's Wives' Club did last Thursday night.

Mrs. G. W. Shipman was guest of honor at the home of Mrs. C. N. Hardin of Hermosa Beach. Wives who assisted Mrs. Hardin were Mmes. C. P. Bopp and R. J. Williams. Mrs. Shipman was showered with many gifts including a crib, pad, and cover; cradle gym; hand made sweater; sacques; sleepers, and blankets; stuffed bunny rabbit and puppy; Knitted parka sweat shirt; and many other practical gifts.

Mmes. M. E. McLoughlin and R. J. Driver received the well wishes when theirs were the seventh and fourteenth gifts opened.

Two small games were played, then the ladies were invited downstairs for refreshments.

The room was in total darkness except for the lighted candles hanging on the walls and the six pink candles standing in gold holders on the table.

The table was decorated with pink carnations and was covered with a white linen table cloth where two pink and blue bassinet cakes were placed. A new addition to the club, a stork not yet named, stood high and looked over the cakes.

Other refreshments included a sherbert ginger ale punch, mints, nuts, candies, coffee, and tea.

Among the ladies present at the shower were Mmes: A. A. Weber, F. S. Gates, J. M. Rogstad, Michael Dubay, E. A. Evers, G. D. Watkins, S. A. Boyle, D. E. Johnson, M. A. Ball, L. R. Mitchell, R. H. Reaber, J. C. Sabin, H. K. Coble, C. H. Hull, and E. G. Cope.

Beginning April 1st

At Security Bank  
your savings  
will earn daily interest  
from the time of  
deposit to the day  
of withdrawal

There is no penalty for withdrawing funds when needed as long as the account remains open until the end of the quarter.

And, continuing our liberalized savings policy started a year ago, funds deposited by the 10th of any month earn full interest from the 1st of that month. Interest on your savings is credited and compounded every three months.
